Know Your Traffic Laws

School is out for summer vacation but many drivers forget that most schools have a summer session and fail to reduce the speed of their cars during the hours the children are going to and from school.

Speed in areas of schools always poses a problem but during the summer months this hazard increases due to most drivers overlooking summer school. The speed limit for a school zone is 25 MPH and is described by section 22352, California Vehicle Code:

Twenty-five miles per hour:

On any highway other than a state highway, in any business or residence district unless a different speed is determined by local authority under procedures set forth in this code.

When passing a school building or the grounds thereof, contiguous to the highway while children are going to or leaving such school during opening or closing hours or during the noon recess period. Such prima facie limit shall also apply when passing any school grounds which are not separated from the highway by a fence, gate or other physical barrier while the grounds are in use by children.

Amended Ch. 1996, Stats. 1959, superseding Ch. 11, Stats. 1959. Effective Sept. 18, 1959.

Amended Ch. 520, Stats. 1961. Effective Sept. 15, 1961.

The amendment deleted "of a steam, electric or street railway" as indicated.

Lt. Nash, officer in charge of the Traffic Division, Torrance Police Department, requests all citizens to use extra caution during the summer months because of summer vacation. This time of the year is when hazards are at their greatest and this applies to all types, not only traffic.

Alondra Park Slates Variety of Activities

A wide variety of programs for children, teenagers, and adults will begin Monday at Alondra Regional Park, just north of Redondo Beach Boulevard, according to Director Glenn Murley.

The park hours are from 9 a.m. to 10 p.m., Monday through Saturday; and 9 a.m. to 8 p.m. Sundays. Fishing is open to youngsters 15 and younger, subject to posted rules.

Special teenage events include trips to Catalina on July 18 and Pacific Ocean Park on Aug. 15. A trip for all ages is slated to Disneyland on Aug. 29.

Other special activities are scheduled on a nine-week basis, starting Monday, except Girls' charm courses, which run for two weeks. Activities are:
